OFFICE OF THE VICE PRESIDENT WASHINGTON

August 24, 1960

TAT

In the temporary absence from Washington of the Vice President I wish to acknowledge your letter of August 17.

Because of the numerous requests he receives for personal intervention in all kinds of individual cases, he has had to establish a firm policy of not entering into any. I might add that requests for assistance in satisfing Cuba have been particularly heavy since the deplorable situation which has developed there. He therefore asked that I relay your request to the responsible officials, which has been done and I feel sure that you will be hearing from them.

I know that he would want me to extend to you his good wishes,

Sincerely,

R. E. Cushman, Jr. Executive Assistant to the Vice President
